Neil Hauer @NeilPHauer

Talking to two police officers just back from Lyman. They stress the need for more anti-air systems and jets. "We can't handle the Russian aviation. Today already, there were five airstrikes, planes flying just over us. We don't have enough forces to repel the Russian assault."

Talked to one soldier who just arrived here from Zaporizhye. Said his unit's base there got hit by four shells yesterday. At least 17 KIA, they're still pulling bodies out. Brutal.
